

Oxygen Fund Application Review Scoring Sheet – Spring 2021 Awards

Application #

Please use the following rating scale to score the application for each criterion in the table below.

| | | | | |
|------------------|------------------|------------------|-----------------------|-----------------------|
| 1 Poor | 2 Fair | 3 Good | 4 Very Good | 5 Excellent |
|------------------|------------------|------------------|-----------------------|-----------------------|

| Criteria | Suggested Points to Consider | Notes | Score (_/5) |
|----------------------------------|---|-------|--------------|
| Qualifications | Does the applicant show promise and potential? Consider GPA, what they share about their journey, entrepreneurial spirit, etc. | | |
| Project Viability | Is there a clear rationale behind the project and does the plan illustrate sound reasoning? Does the idea seem to have the potential for success? | | |
| Creativity | Is the idea original? Does the application indicate creative thinking and process? | | |
| Overall Quality | Is the proposal well-written? Is it concise and articulated well? Are the supplemental materials relevant and enhance the application? | | |
| Impact | Will the project make an impact on the industry/society/world? | | |
| Entrepreneurial Ecosystem | Will the applicant leverage and contribute to UC Merced's entrepreneurial ecosystem and community? | | |
